

Speaker / Bio:**Lee M. Levin**
RN, M.ED, CRC, CCM

Lee M. Levin, President of CM 2000 Plus, has been actively involved in the case management field since 1981. Ms. Levin's caseload has included worker's compensation, automobile, long-term disability, and group health insurance cases. She functions as an RN medical case manager as well as a vocational rehabilitation expert. She has had management positions with privately held case management companies and has also served as an insurance coordinator for a medical care provider. Throughout her career, Ms. Levin has trained thousands of nurses in the case management process. She holds a master's degree in counseling psychology with a specialty in vocational rehabilitation as well as an RN. She is a certified rehabilitation counselor and certified case manager. Ms. Levin provides vocational expert testimony for the Social Security Administration, Office of Hearings and Appeals; and, she also provides case management services for the Office of Worker's Compensation Programs (OWCP). She is a legal nurse consultant and provides litigation support for attorneys.
